## Curtain Machines Show Room in Shanghai

Our company opened the showroom of curtain machine in Shanghai. At the first, we displayed the drapery pleating machine in the showroom. We will display the curtain forming machine e.t.c. in near future.

You wish to know more information or visit to our showroom, please contact us. If you take fabric of curtain to our showroom, we would do the demonstration of making of curtain. We are looking forward to having your contact.

Show Room is here!
